

Enware-Delabie TempoSoft Time Flow Wall Tap

TFC741510

Time flow, wall mounted basin tap with easy to use soft-push operation. Automatic shut-off for improved hygiene and reduced water wastage.

Purpose designed optional extension piece available for when basin, sink or trough is set further away from the wall than is ideal. Designed to be vandal resistant and integrate cleanly with the standard TempoSoft wall tap.

Ideal for public washrooms, schools, child care and applications where easy activation is beneficial.

FEATURES

- Soft push activation
- Vandal resistant design
- Approximately 7 seconds* flow time
- Chrome-plated brass body
- Automatic shut-off without manual contact
- Supplied with blue, yellow and red indicators
- Hygienic, anti-scale flow straightener outlet
- ½" BSP female inlet connection
- 6 Star Water Efficiency Rating

*Flow times are indicative only and may vary depending on water supply pressure and flow conditions.
